Canton Township Community Day June 29, 2019

The week leading up to Community Day 2019 began with Canton Local Schools National Honor Society students and teacher Chris Bergert assisting the Road Department placing flags along both sides of Faircrest ST SW. Special thanks to Steve Toohey from Flags of Freedom for the use of the hundreds of flags.

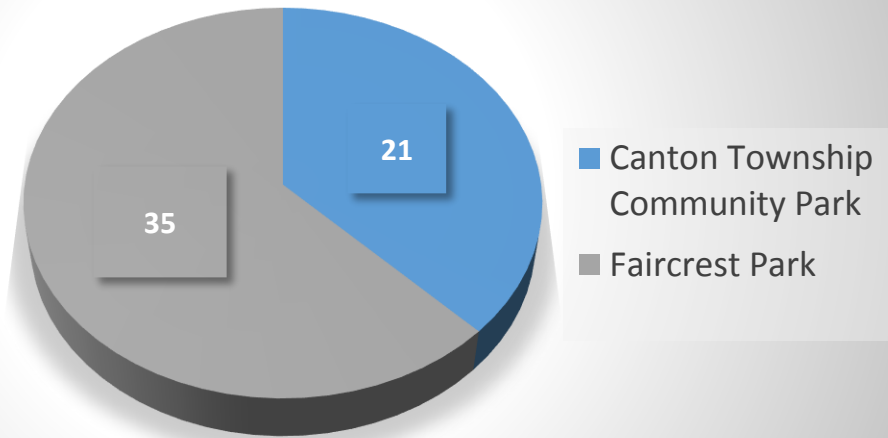

The morning of June 29th began at the Community Center Pancake Breakfast. Residents, veterans and friends enjoyed a delicious breakfast cooked by township Trustees. Veterans received a free breakfast as a thank you for their service.

Evening festivities moved to Faircrest Park beginning with a Salute to Veterans performance by the Canton South Alumni Band. Students from Faircrest Middle School, with the help of teacher Angela Feller, presented Veterans with a flag as a token of appreciation for their service. Followed by the National Anthem sung by Jonathan Smith Jr. Then Nashville recording artist Ricky Lee took to the stage and entertained the crowd. The night culminated with an impressive low aerial fireworks display.

Thanks to the generous support from local residents and valued businesses the event turned out to be a huge success and the overwhelming positive feedback following the event was heard.
